About Us

The core values of Cones Family Medicine are the foundation of our company culture and the framework from which we base all of our decisions. The core values are:

- Patients first
- Deliver “WOW” through patient service and patient experience
- Build a positive team and family spirit
- Build open and honest relationships with communication
- Be humble, kind, and respectful
- Be passionate and determined about making an impact on patients, coworkers, and community
- Do more with less

Dr. Shawn James Cones

Dr. Cones is a native of Fordyce, Arkansas. He obtained his Medical Doctorate from the UAMS College of Medicine in May of 2006. He completed his residency in El Dorado, Arkansas and is board certified in Family Medicine. As a past Army Reservist and R.O.T.C cadet, Dr. Cones uses his leadership training to organize charitable and community service events. He is a member of numerous medical and social societies and prefers to spend his time working to improve the healthcare system.
